Thank you for your interest in bringing your business, along with all of the wonderful products you serve, to our site!

The Creamery is a project full of heart. Built in 1902 and re-imagined in 2016, The Creamery is a community gathering space for the whole family in the heart of Kennett Square.

A setting that's rooted in Kennett Square history, The Creamery is committed to re-purposing and re-vitalizing a once-industrial space into a unique environment for the whole family.

Thus far, we've been graciously overwhelmed by the response and support from our community and beyond and are very excited about our second season. We are committed to consistently meeting this expectation by constantly creating an experience that our guests will be proud of. While our guest count is at its peak on Friday and Saturday evenings, we are still consistently busy throughout all of our operating hours.

In our first season, we hosted over 35,000 guests over 70 days from June through September. We desire to ensure all guests have the best experience possible. As a vendor at The Creamery, please come prepared with enough food for the high volume we experience.

As a vendor, you can expect the following services provided:

- Thu/Fri/Sat/Sun hours of operation
- Electrical Hookup on site
- Trash receptacles available for your trash disposal
- Picnic tables with umbrellas inside the food truck family court area
- High volume of guests (expect anywhere from 500-3,000)
- Live entertainment on rotating schedule
- Social media promotion of your food truck offering
- Advertisement of your offerings outside and inside The Creamery; Catering opportunities for private events and large party reservations.
- Other food truck offerings to add variety to guests' experience

Please return the completed attached documents at your earliest convenience so we can confirm your date and time to [info@kennettcreamery.com](mailto:info@kennettcreamery.com).

We appreciate your partnership and we look forward to working together!

Sincerely,

The Creamery Team
